Background Check Services

We perform the highest quality background checks working with licensed private investigators—getting you a clearer result.

We provide a single point-of-contact for handling all your background checks — an ongoing professional relationship.

We provide you with a full complement of checks — from social traces and criminal searches to full-media inquiries.

We typically deliver the results of our checks to you in 48 - 72 hours.

We can assist with development of comprehensive risk mitigation policies.

Our web-based system is very efficient, making our services very cost competitive.

Risk Aware Background Check Service is dedicated to getting you the most expansive background information YOU need, to make the most informed decision you can make.
